The Passaic County Prosecutor's Office recognizes that a victim of sexual assault deserves to be treated with dignity and compassion while being afforded all available rights. The Prosecutor's Office of Victim Witness Advocacy is continually available to provide information, support, assistance and referrals to both victims and survivors.

Our services include explaining the criminal justice process, assisting with applications for crime compensation, providing status information on any pending prosecution and providing guidance locating other needed services. We can also provide information about filing for a restraining order and/or requesting that a defendant be tested for HIV/AIDS.

If you are seeking immediate support or emergency shelter, you may contact the Passaic County Women's Center on their 24-hour hotline at 973-881-1450. For statewide information on additional resources, you can contact the NJ 24-hour hotline at 800-601-7200 or visit the NJ CASA (Coalition Against Sexual Assault) website at: <https://njcasa.org/our-work/resources/>. If you prefer a live online chat with a trained staff member, you can visit [RAINN | The nation's largest anti-sexual violence organization](https://www.rainn.org/) or www.rainn.org and choose Live Chat.

If you would like to file for a Sexual Assault Survivors Protection Order (S.A.S.P.A), please complete the attached form and email it to via JEDS (judiciary electronic document submission) located on www.njcourts.gov, or call 973-653-2910 ext. 2462 and a member of the Family Division staff will promptly review the submitted paperwork and will contact you (the victim/plaintiff) to review your filing and discuss the next steps of your application.

I have included several brochures and other resource information with this letter. **Please reach out to the Office of Victim Witness Advocacy at 973-881-4887 if you have any questions or if you would like to speak to a victim advocate about your options.**

NOTICE

SEXUAL ASSAULT SURVIVOR PROTECTION ACT OF 2015 (SASPA) – PROCEDURE FOR OBTAINING A TEMPORARY PROTECTIVE ORDER – MODIFIED TO ADDRESS COVID-19

In response to the COVID-19 coronavirus pandemic, the New Jersey Judiciary is implementing all possible measures to apply social distancing in current court operations, consistent with the recommendations of the New Jersey Department of Health and the Centers for Disease Control. Accordingly, the procedures for applying for a SASPA protective order have been temporarily modified.

As part of the new temporary procedures, the Judiciary created the attached application packet to be used by the plaintiff/victim or the parent of a victim to request a SASPA temporary protective order. A parent or guardian may file on behalf of the victim in any case in which the victim (1) is less than 18 years of age; or (2) has a developmental disability or a mental disease or defect that renders the victim temporarily or permanently incapable of understanding the nature of the victim's conduct, including, but not limited to, being incapable of providing consent.

The packet, which also is posted on the Judiciary's website (www.njcourts.gov), includes the required forms as well as instructions on how to complete the forms. Once the plaintiff has completed the forms in the packet, they must email them to the Family Division either in the county in which the victim resides, the county in which the defendant resides, or the county where the act occurred. The list of email addresses by each county to be used for this purpose is on page 5 of the Sexual Assault Survivor Protection Act Intake Kit (CN 12590). Family Division staff will promptly review the submitted paperwork that plaintiff has submitted and will contact the plaintiff to coordinate a time for a telephonic or video hearing on the application before a Superior Court judge.

If you are a victim of domestic violence and want to file for a domestic violence restraining order, please contact your local law enforcement agency.

Questions about this notice may be directed to the AOC's Family Practice Division at 609-815-2900 ext. 55350.

How to File a New Jersey Sexual Assault Survivor Protection Act (SASPA) Complaint Superior Court of New Jersey - Chancery Division - Family Part

****Please be advised this packet is intended to only be used during the COVID-19 crisis.****

Who Should Use This Packet?

This packet should only be used the **first time** you file for a Sexual Assault Survivor Protective Order.

Use this packet if you are:

A victim of nonconsensual sexual contact, sexual penetration, or lewdness, (see definitions on page 3) or any attempt at such conduct, and who does *not* meet the definition of a “domestic violence victim” in the Prevention of Domestic Violence Act (PDVA).

- A victim's parent or guardian may file on behalf of the victim in any case in which the victim:
 - is less than 18 years of age; or
 - has a developmental disability or a mental disease or defect that renders the victim temporarily or permanently incapable of understanding the nature of the victim’s conduct, including, but not limited to, being incapable of providing consent

Do NOT use this packet if:

- You meet the definition of a “victim” under the PDVA - N.J.S.A. 2C:25-19 (d)(a) which is as follows:
 - A person protected by the PDVA includes any person:
 - **Who** is 18 years of age or older, or who is an emancipated minor, and who has been subjected to domestic violence by:
 - ❖ Spouse
 - ❖ Former spouse
 - ❖ Any other person who is a present household member or was at any time a household member, or
 - **Who, regardless of age,** has been subjected to domestic violence by a person:
 - ❖ With whom the victim has a child in common, or
 - ❖ With whom the victim anticipates having a child in common, if one of the parties is pregnant, or has been subjected to domestic violence by a person with whom the victim has had a dating relationship.

NOTE: If you are a victim of domestic violence and want to file for a domestic violence restraining order, please contact your local law enforcement agency.

- If you are filing on behalf of a minor child and the person you are filing against is a parent or guardian of the minor child, you cannot file under the Sexual Assault Survivor Protection Act. You must call the Division of Permanency and Protection at: 1-877 NJ ABUSE (1-877-652-2873); TTY/TDD 1-800-835-5510

Note: These materials have been prepared by the New Jersey Administrative Office of the Courts for use by self-represented litigants. The guides, instructions, and forms will be periodically updated as necessary to reflect current New Jersey statutes and court rules. The most recent version of the forms will be available at the county courthouse or on the Judiciary’s Internet site njcourts.gov. However, you are ultimately responsible for the content of your court papers.

Completed forms are to be submitted to your local Family Division. A list of Family Division Offices can be found on njcourts.gov

Things to Think About Before You Represent Yourself in Court

Try to Get a Lawyer

The law, the proofs necessary to present your case, and the procedural rules governing cases in the Family Division are complex. It is recommended that you make every effort to obtain the assistance of a lawyer. If you cannot afford a lawyer, you may contact the legal services program in your county to see if you qualify for free legal services. Their telephone number can be found online under “Legal Aid” or “[Legal Services](#).”

If you do not qualify for free legal services and need help in locating an attorney, you can contact the bar association in your county. The telephone number can also be found in your local yellow pages. Most county bar associations have a [Lawyer Referral Service](#).

The County Bar Lawyer Referral Service can supply you with the names of attorneys in your area willing to handle your particular type of case and will sometimes consult with you at a reduced fee.

There are a variety of organizations of minority lawyers throughout New Jersey, as well as organizations of lawyers who handle specialized types of cases. Ask the Family court staff in your county for a list of lawyer referral services that include these organizations.

What You Should Expect If You Represent Yourself

While you have the right to represent yourself in court, you should not expect special treatment, help or attention from the court. The following is a list of some things court staff can and cannot do for you. Please read it carefully before asking court staff for help.

- We *can* explain and answer questions about how the court works.
- We *can* tell you what the requirements are to have your case considered by the court.
- We *can* give you some information from your case file.
- We *can* provide you with samples of court forms that are available.
- We *can* provide you with guidance on how to fill out forms.
- We *can* usually answer questions about court deadlines.
- We *cannot* give you legal advice. Only your lawyer can give you legal advice.
- We *cannot* tell you whether or not you should bring your case to court.
- We *cannot* give you an opinion about what will happen if you bring your case to court.
- We *cannot* recommend a lawyer, but we can provide you with the telephone number of a local lawyer referral service.
- We *cannot* talk to the judge for you about what will happen in your case.
- We *cannot* let you talk to the judge outside of court.
- We *cannot* change an order issued by a judge.

STEP 2: Fill out the *Verified Complaint* (Form B)

The *Verified Complaint* is a written request in which you ask the court to establish a court order on your behalf or on a minor child's behalf. The court will establish an order based on testimony of the parties and written documentation submitted.

STEP 3: Additional Information Sheet (FORM C)

This form is provided if you need additional space to type the details of the incident for which you are filing for a protective order.

STEP 4: Provide the court with the most recent address of the other party

If the court grants a temporary order of protection, the court will send a Notice to Appear to the plaintiff and the defendant and any attorney(s) connected to your case when the case is scheduled for a final hearing. Your appearance is **mandatory**.

Note: The other party will receive copies of all the papers you attach (except for the Intake Form) to your complaint with the Notice to Appear, unless court rules prohibit this information from being shared.

You must provide the court with the most current address (that you know of) for the other party and the name of their attorney (if you know it) when you file your complaint.

STEP 5: Check your completed forms and make copies

Check your forms and make sure they are complete. Remove all instruction sheets. Make sure you have signed all the forms wherever necessary.

STEP 6: E-mail your completed paperwork
