

HMRU INSTRUCTOR UPDATE

NJSP-HMRU is in the process of up-dating our instructor database, so that we can assess more correctly the training programs and the activity being conducted.

Please complete this Instructor Up-date Form if you are a current HMRU Instructor in any of the NJSP HMRU training programs.

This form uses only Adobe Acrobat version 7.0 software. Older versions will not work correctly. Adobe Reader 7.0 software is available from www.adobe.com.

If you use version 6.0 or older simply complete the form, print and fax or mail-in normally. Print a 2nd copy for your records.

Start by clicking on the **Name** field and **tab** through the remaining questions. Once finished, Click the **SUBMIT** Button.

You will be asked to either save this document or be directed to your e-mail account. **Save** file somewhere on your computer that will be easy to find. The file will be a "XFDP" file. The file contains only datapoints, no user or forms are sent. **Log-on to your e-mail** account and send file as an attachment.

Prior to closing the software, print your form. This printed record can also be used to mail or fax into our office if you run into difficulty or do not have an email account.
