New Jersey Silver Alert Criteria

A. The missing person who is believed to be suffering from Alzheimer’s, dementia, or other cognitive impairment, regardless of age and:

1. Is operating a known motor vehicle.
2. Is entered into NCIC as a missing person.
3. Is believed to be in danger of death or serious bodily injury. The law enforcement agency must be able to substantiate or specify what causes this belief.

B. Operating a motor vehicle with any form of dementia, Alzheimer’s, and other cognitive impairment is not automatically a Silver Alert.

C. The lead law enforcement agency requesting a Silver Alert activation shall contact the NJSP ROIC, (609) 963-6900 for authentication and broadcast.
