Dear Chief/Sheriff/Director,

During calendar year 2018, the Division of State Police, Alcohol Drug Testing Unit, will offer the following impaired driving enforcement related training courses:

1. Four Hour Alcotest 7110 MKIII-C Operator Re-certification Course.

The "Four Hour Alcotest 7110 MKIII-C Operator Re-certification Course" is for valid Alcotest Operators who were last re-certified in 2016. **Your agency will automatically be scheduled for the Alcotest Operator re-certification course. These re-certification dates can be found on the New Jersey State Police Alcohol/Drug Testing Unit website (see the last page of this letter for access instructions).**

2. Five Day Driving While Intoxicated/Standardized Field Sobriety Testing Course.

The "Five Day Driving While Intoxicated/Standardized Field Sobriety Testing Course," is recommended for officers who have demonstrated an interest in DWI enforcement. The officer will be instructed on the magnitude and scope of DWI related crashes, injuries and deaths as well as other social impacts of the national DWI problem. The officer will also be instructed on how to properly administer and interpret the battery of Standardized Field Sobriety Tests. Lastly, the officer will be instructed on the effects of alcohol on the human body, recognizing typical cues and clues of alcohol and drug impaired drivers and how to describe that evidence clearly in written reports and verbal testimony. This course includes training in the Horizontal Gaze Nystagmus Test (H.G.N.). Upon successful completion of this course officers will receive a certificate of training. This class is a prerequisite to take the on-line Advanced Roadside Impaired Driving Enforcement Course or to attend the Drug Recognition Expert Course.

3. Drug Recognition Expert Course (D.R.E.).

The "Drug Recognition Expert Course (D.R.E.)" is requested by submitting a separate application from this mailing. The application can be found on www.njsp.org under the link for Services-Alcohol/Drug Testing Unit (instructions about this link are below). The Drug Recognition Expert Course trains law enforcement officers to determine whether a suspect is under the influence of drugs and to identify the category of drug that is causing the observable impairment. This course is conducted in three phases. Phase One and Two are classroom based and cover nine days of material. Phase Three requires students to demonstrate their skills by conducting evaluations of test subjects. The student must pass a comprehensive examination before receiving certification. The entire course may take up to two months to complete.

4. Advanced Roadside Impaired Driving Enforcement Course (A.R.I.D.E.).

The Advanced Roadside Impaired Driving Enforcement Course (A.R.I.D.E.) is no longer offered in a classroom setting and is now available on-line by following this link: <http://tsilearn.dot.gov/login.aspx> Participants must complete the Five Day Driving While Intoxicated/Standardized Field Sobriety Testing Course first.

During calendar year 2018, the Division of State Police, Alcohol Drug Testing Unit, may offer the following impaired driving enforcement related training courses in the event there is NOT a transition to a new evidential breath testing instrument. Complete the 2018 Training Application to include these courses and the number of personnel requested to be trained.

5. Four Day Alcotest 7110 MKIII-C Operator Course.

The "Four Day Alcotest 7110 MKIII-C Operator Course," is for officers who have a minimum of one year full time law enforcement experience. In this course, officers will be instructed in the nomenclature and operation of the Alcotest 7110MKIII-C. Additionally, the training will include simulator solution changes, the metric system relating to chemical breath testing, standardized field sobriety testing, New Jersey Title 39, DWI case law and the physiological processes of alcohol in the human body. Upon successful completion of this course officers will receive a certificate of training and an Alcotest 7110 MKIII-C operator's card.

6. Four Hour Driving While Intoxicated/Standardized Field Sobriety Testing Refresher Course.

The "Four Hour Driving While Intoxicated/Standardized Field Sobriety Testing Refresher Course." The primary purpose of this course is to improve the overall consistency of administration of the SFST test battery by individual police officers. Officers can refresh their skills with recognizing and interpreting evidence of DWI, administering and interpreting the scientifically validated sobriety tests and describing the DWI evidence clearly and convincingly.

The enclosed 2018 training application must be received no later than **October 1, 2017**. Applications received after October 1, 2017 will be relegated to 'waiting list status' with no guarantee of course placement. You may fax the enclosed application to (609) 584-9359 or send via email to **ADTU@GW.NJSP.ORG**

Course lists, training locations, dates, and agency allotments will be posted on the New Jersey State Police website under the "Services-Alcohol Drug/Testing Unit" link on **November 24, 2017** and viewable all year.
