Permit Execution between Immediate Family Members – Exempt from the NICS check

Handgun transfer/sale between IMMEDIATE FAMILY MEMBERS. No Dealer involved and no NICS check required. Immediate Family is defined as spouse, domestic partner, partner in a civil union couple, parent, stepparent, grandparent, sibling, step-sibling, child, stepchild, and grandchild, as related by blood or by law as per New Jersey law 2C:58-3n.

Step 1: Visit the website - https://njportal.com/NJSP/Fars/IndividualSeller/PermitExecutionHome

Step 2: Click Sale/Transfer between Immediate Family- the middle option

Step 3: Click Start

Step 4: Enter Confirmation # of purchaser’s FARS application
Step 5: Enter Purchaser’s SBI#: SBI# has no spaces. It may have up to 6 numbers and 1 letter. Some SBI#s have less numbers and no letter. Example of Acceptable SBI#s (1234; 1345A, 123456A). The SBI# of the Purchaser can be found on the Firearms Identification Card or by having the Purchaser contact his LOCAL POLICE DEPARTMENT. The local police department can obtain the SBI# either in FARS or in the NJ Master Name Index under the Firearms Search tab.

If the SBI# is not accepted, you MUST contact the LOCAL POLICE DEPARTMENT that approved the FARS Application and request that they VERIFY the SBI#. Do NOT contact the NJ State Police. Do NOT contact any agency other than the local Police Department that APPROVED the application.

Step 6: If you want to execute 1 Permit, click 1 permit

Click Yes or No to the question asking “Is purchaser a police officer for a Federal, State or Local Law Enforcement Agency?” This question is asked because the Active Law Enforcement Officer is allowed to purchase multiple handguns within 30 days if the firearms is used in the performance of their duties and prior to this transaction, the officer may have purchased a handgun within the past 30 days.
Step 7: If you click Multiple Handgun Permits, you will enter a number greater than 1, BUT the Purchaser/Applicant MUST HAVE APPLIED AND APPROVED MULTIPLE HANDGUN EXEMPTION or the Purchaser/Applicant is an ACTIVE LAW ENFORCEMENT OFFICER.

Step 8: Click the appropriate option. If the Purchaser/Applicant has an APPROVED MULTIPLE HANDGUN EXEMPTION, enter Seller’s Last Name and Date of Birth.
If the Purchaser/Applicant is a Law Enforcement Officer, AND that was INDICATED ON THE APPROVED APPLICATION, click the option indicating the purchaser is a Law Enforcement Officer.
It is important to note that if multiple handguns are being purchased by an ACTIVE LAW ENFORCEMENT OFFICER, the handguns must be considered for the use in Performance of Law Enforcement Duties.

If you enter information that is not accurate, an error message will appear. If you attempt to enter an Applicant/Purchaser information that is not verified in the purchaser’s application, an error message will appear. For example, if you are attempting to indicate the applicant/purchaser completed a Multi Handgun Exemption, but that was NOT applied for by the applicant/purchaser, you will get an error message. If you attempt to indicate the applicant/purchaser is an Active Law Enforcement Officer, but that was NOT indicated in the application by the applicant/purchaser, you will get an error message.
Enter the correct Confirmation# and SBI# of the Purchaser. When the correct Confirmation # and SBI# are entered, and 1 permit and the Purchaser is NOT a Law Enforcement Officer, you will proceed to enter the Seller’s Information.
The Seller’s Information. If the Seller has a Firearms Fingerprint/SBI# on file, enter the Seller’s information EXACTLY as it is listed in the NJ Master Name Index System. The seller’s Firearms Identification Card typically has the correct information that matches NJ Master Name Index.

If the seller does NOT have an SBI# related to FIREARMS FINGERPRINTING, then only enter the SSN# and correct name of the seller. The correct name should MATCH the seller’s Driver’s License (or any other recently issued Government Identification)
Click the Add Handgun Information and enter the information listed EXACTLY as found on the handgun. Some the categories (Caliber, Make, Model) have pre-populated information and typing partial words will populate options. For example, typing GL in the Make category will populate the word Glock.

If you attempt to add more than one handgun and only one permit was chosen to be executed, you will get an error message.

Permit Execution between Active Law Enforcement to Active Law Enforcement – Exempt from the NICS check

- This does not apply to RETIRED LAW ENFORCEMENT

---

**Permit to Purchase a Handgun & Form of Register**

Permit to Purchase a Handgun & Form of Register can be executed by the seller of the firearms from this website only if it does NOT require a NICS Check. To qualify, please indicate which of the following is applicable for your exemption for a NICS Check:

- Sale/Transfer between active Law Enforcement Officers
- Sale/Transfer between immediate Family - spouse, domestic partner, partner in a civil union couple, parent, stepparent, grandparent, sibling, step-sibling, child, stepchild, and grandchild, as related by blood or by law as per 2C:58-3a
- Sale/Transfer between Curio & Relic license holders

If none of the above are applicable, the permit will need to be executed by a Licensed Firearms Dealer.

---

Step 1: Visit the website  [https://njportal.com/NJSP/Fars/IndividualSeller/PermitExecutionHome](https://njportal.com/NJSP/Fars/IndividualSeller/PermitExecutionHome)

Step 2: Click the top option indicating sale/transfer between Active Law Enforcement Officers

Step 3: Click Start

Step 4: Enter Confirmation # of purchaser’s FARS application

Step 5: Enter Purchaser’s SBI#: SBI# has no spaces. It may have up to 6 numbers and 1 letter. Some SBI#s have less numbers and no letter. Example of Acceptable SBI#s (1234; 1345A, 123456A). The SBI# of the Purchaser can be found on the Firearms Identification Card or by having the Purchaser contact his LOCAL POLICE DEPARTMENT. The local police department can obtain the SBI# either in FARS or in the NJ Master Name Index under the Firearms Search tab.
If the SBI# is not accepted, you MUST contact the LOCAL POLICE DEPARTMENT that approved the FARS Application and request that they VERIFY the SBI#. Do NOT contact the NJ State Police. Do NOT contact any agency other than the local Police Department that APPROVED the application.

Step 6: If you (Active Law Enforcement Officer) want to execute 1 Permit to purchase 1 handgun, click 1 permit

Step 7: If you (Active Law Enforcement Officer) want to execute multiple permits because you want to purchase multiple handguns, click multiple permits and enter a number greater than 1.
Click Exempt from 30 days rule because purchase is a Law Enforcement Officer. This is so the Active Law Enforcement Officer is allowed to purchase multiple handguns within 30 days if the firearms are used in the performance of their duties. Also prior to this transaction the officer may have purchased a handgun within the past 30 days from someone else so it is important to indicate this handgun purchase is exempt from the 30 day rule.

If you enter incorrect Confirmation and SBI# information, an error message will appear.
If correct information is entered, you will proceed to the next page where Seller information is entered.

If you attempt to enter an active Law Enforcement Officer’s information who DID NOT answer “Yes” to the question in the application that asked “Are you an active police officer....”, an error message will appear. The officer will HAVE TO RE-APPLY and click Yes to that question in the FARS application.
If you choose the option “approved for Multiple Handgun Exemption”, that means the Active Law Enforcement purchaser applied for a Multiple Handgun Exemption because the handguns being purchased are NOT RELATED to the use in performance of Law Enforcement Duties.

See Instructions for Permit Execution with Multiple Handgun Exemption

If the correct purchaser information is entered, the seller information page appears on the next screen. Enter the seller info.
