Request for Bid
Dristeem Steam Generator

The New Jersey State Police is soliciting bids for the replacement of our existing steam generators. The specifications are as follows:

1 – Dristeem LX-600 Natural Gas Fired Steam Generator

- Stainless Steel Tank
- Natural Gas
- Vapor Logic BACnet Controller
- Welded Flange Outlet
- Unit selected for use with softened water
- 120/1 electrical connection required
- High limit Humidistat (X2) and airflow proving switch provided startup

Please provide bids per unit, up to three units. Units to be installed by New Jersey State Police Maintenance Unit. Total bid to include delivery to Hamilton, NJ 08691.
